The SSCY Centre follows the Provincial Health recommendations for safety during this COVID pandemic. We will be screening all participants upon their arrival at the Centre and you will be required to wear a mask throughout the sessions. We will follow social distancing rules during the session. The sessions could change at any time based on the current COVID conditions.

Information Series

Parents, caregivers, other family members and professionals who support children and youth 17 years old and younger recently seen or diagnosed at the Manitoba FASD Centre.

Topics Include

- What does it mean that my child has FASD?
- How will FASD affect their behaviour, school performance and social interactions?
- How can I help others understand my child's disability?
- How can I help my child understand his/her disability?
- How can I help my child develop his/her strengths?

Please note that we will be discussing a different topic each week. We encourage you to commit to attend for the entire 8 weeks. Please note there will be a maximum of 15 participants.
