Join us for an Information Series Workshop

## **Declarative Communication**

Friday, November 18, 2022, 12 – 1 p.m.

This is a FREE event sponsored by the Manitoba FASD Coalition and the Manitoba FASD Family Network

Session will run from 12:00 p.m. to 1:00 p.m.

Plan to join us November 18th to hear from Kally-Anna Clinton, Registered Speech-Language Pathologist and Certified Relationship Development Intervention Program Consultant.

In this workshop we will cover how to use ALL of our communication channels (verbal and non-verbal) to help social learners with using language flexibly, setting and accessing episodic memories, and making decisions. This strategy is targeted at helping guides (caregivers) make a thoughtful shift in the way they communicate during do-together activities to help improve back-and-forth process-focused communication with their child. We will discuss how using declarative communication helps with transitions as well as improving and maintain co-regulated relationships.

The Info Series Workshop will be in the form of a Zoom webinar. Please register in advance,
